

HOW TO LOGIN SESP MOODLE

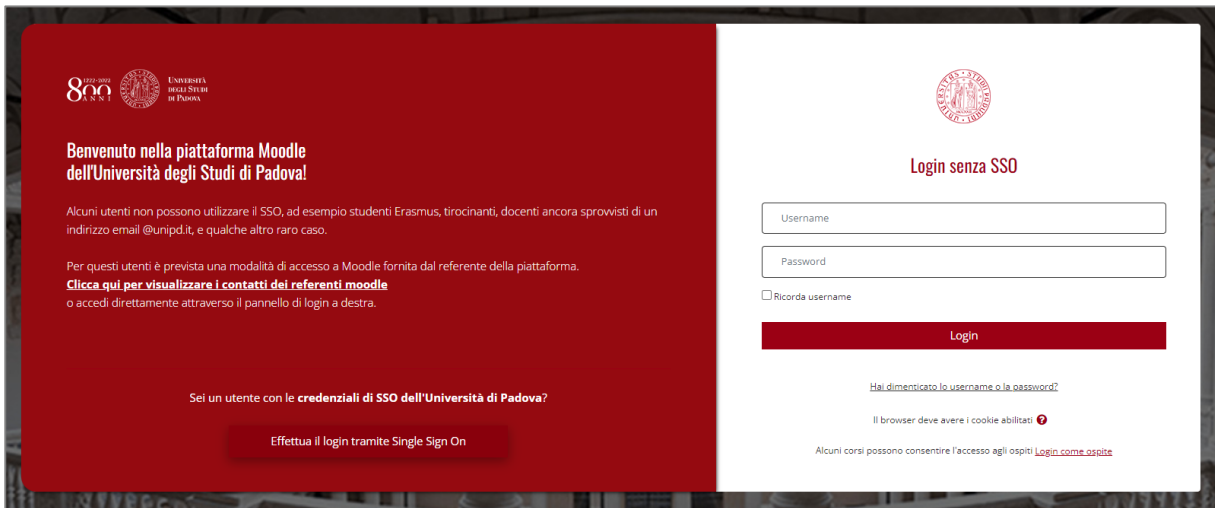

Login without SSO (Single Sign On) Temporary account

1. Visit <https://sesp.elearning.unipd.it/> and click on “You are not logged in. (Login)” in the top right hand corner

2. Click on the button **Log in without Single Sign On** (red section)

3. Insert the credentials you have already received via mail:
 - a. USERNAME: name.surname
 - b. PASSWORD (one-time password. It must be changed)

ATTENTION!!!

After finalizing the enrollment process and receiving your student number “matricola”, you must change the authentication method to “Single Sign On” (SSO) [from temporary account to institutional account]. Please follow the steps below:

1. **Log Moodle SESP without SSO (temporary account)**
2. View your **profile settings page** (click on your name in the top right hand corner - red header)
3. Click on **Edit profile** in the "User details" section
4. In the “GENERAL” SECTION, change the “Email address” with the institutional email (@unipd.it; @studenti.unipd.it)
5. Click on the red button "**Update profile**" in the bottom of the page
6. Log out from SESP Moodle
7. Log in with SSO authentication method
