MEETING 2021

Filippo Rosin

Noelia Diaz

12 February 2021

15:00-16:30

The Department of Political Science, Law, and International Studies has organised a series of workshops with the goal of developing cross-cutting competencies such as:

Communication

Planning and Organising

Teamwork

In this session, students will initially gain an understanding of the main pillars of the Planning and Organizing competency and will learn how to increase their capacity to work independently, with little supervision.

In the second part of this session, an officer from the United Nations High Commissioner for Refugees (UNHCR) will briefly present her current work activities. In the final part, students will receive suggestions and learn tips on career paths. Time has been allocated for questions and answers.
