MEETING 2021

**Filippo Rosin**

**Mimi Huang**

29 January 2021

10:30-12:00

The Department of Political Science, Law, and International Studies has organised a series of workshops with the goal of developing cross-cutting competencies such as:

*Communication*

*Planning and Organising*

*Teamwork*

In the first part of this session, students will initially review the communication competency and receive feedback on their assignments.

In the second part of this session, an officer from the World Food Programme (WFP) will briefly present her current work activities. In the final part students will receive suggestions and learn tips on how to start an international career. Time has been allocated for questions and answers.

## JOIN THE MEETING:

*Guest Trainer profile:* Ms. Mimi Huang has worked in the United Nations system for nearly 20 years. She has built her experience integrating a diverse range of work, including communications, administration, organizational development, policy drafting, political affairs, crisis management, security risk management, and digital transformation. She is currently working for the World Food Programme (WFP), leading efforts to transform the area of security for humanitarian operations. Mimi obtained her undergraduate degree in mechanical engineering and went to graduate school for development economics in Quito, Ecuador, and for information and knowledge strategy at Columbia University in New York.
