

## MASTER DEGREE COURSE IN HUMAN RIGHTS AND MULTI-LEVEL GOVERNANCE

### DESCRIPTION OF THE COURSE STRUSTURE

The study program, for students enrolling in the academic year 2022/2023, the study programme includes 11 compulsory exams spread out over 2 years, a qualifying examination, 12 elective credits (ECTS) and a compulsory internship.

The course of study is organized in a single structure, and includes some alternatives.

Attendance of teaching activities, although not compulsory, is strongly recommended.

- Students who intend to enroll in the master's degree course in HUMAN RIGHTSAND MULTI-LEVEL GOVERNANCE must have a three-year university degree or diploma or other qualification obtained in Italy or abroad and recognized as suitable on the basis of current legislation and be in possession of specific curricular requirements and the following knowledge, skills and abilities: basic skills in the political, sociological and legal fields. The possession of knowledge, skills and abilities will be assessed with the modalities of the following paragraph 3.
- The required curricular requirements are the following:
  - possession of a degree in class / s L-36 and L-37 pursuant to Ministerial Decree 270/04 or a degree in class / s 15 and 35 pursuant to Ministerial Decree 509/99, or alternatively the achievement of 50 ECTS in the SSD provided for by the degree course , of which at least 15 in Area 12 Legal Sciences, at least 15 in Area 14 Political and Social Sciences, at least 15 in Area 11 Historical, Philosophical, Pedagogical and Psychological Sciences and / or 13 Economic and Statistical Sciences, at least 5 relating to knowledge foreign languages; obtained in other degree classes of the University of Padua or other universities. For candidates in possession of an Italian qualification with a different system from those governed by the Ministerial Decree 509/99 or the Ministerial Decree 270/2004 or in possession of a degree obtained abroad , the verification of the possession of the curricular requirements will be carried out by the admission commission.
- For the purposes of admission, the possession of the knowledge, skills and abilities referred to in paragraph 1 will be verified according to the following criteria: minimum grade of the degree used for admission equal to 100/110 or equivalent. In the case of students who have obtained the qualification abroad, the verification referred to in this paragraph will be carried out according to criteria established by the CCLA.
- For non-resident non-EU candidates with a foreign qualification, the verification of the adequacy of personal preparation must guarantee the preparation of a ranking of merit, except in cases of international agreements that provide for a different mode of entry for students  
For information relating to part-time students visit the page <http://www.unipd.it/studiare-tempo-parziale>.
