Data is processed exclusively for carrying out all the activities related to the institutional, dissemination and public interest activities of the University. In particular, data is processed for the research purposes connected with the project "POLBIS - The Politics and Policy of Basic Income Schemes: lessons from Italian and European cases".

The following are the specific research objectives:

4. How data is processed

The data is collected through semi-structured interviews with interested parties carried out by interviewers. The University takes appropriate organizational and technical measures to protect the personal data in its possession, through appropriate security measures to ensure the confidentiality and security of personal data, in particular against loss, theft, and unauthorized use, disclosure or modification of personal data.

The Data Controller does not resort to automated decision-making processes relating to the rights of the data subject on the basis of personal data, including profiling, in compliance with the safeguards provided for in art. 22 of the EU Regulation.

The data will be collected through audio recording (or video-recording in case of video-conference). The data gathered during the interviews will not be disseminated. In the event that the interview or parts of it should prove to be of particular interest, such as to justify its dissemination for the purpose of disseminating the results of the study, it will be published without any identification reference of the interested party, with indication only of the role covered by the interviewed, in order to guarantee anonymity.

5. Legal basis of the processing and type of provision

Legal basis of the processing is the execution of public interest tasks of research, teaching and the so-called "third mission", of the University as defined by law, by the Statute and by internal regulations (pursuant to art. 6, par. 1, lett. f) of EU Regulation).

For special categories of personal data the legal basis of the processing is based on your explicit consent (pursuant to art. 9, par. 2, lett. a) of the EU Regulation).
