### 4. Criteria related to linguistic knowledge

Linguistic knowledge is assessed according to the chosen destination, according to the requirements indicated by the Host University and the language in which the courses will be taught during the exchange.

a. Students who have passed the language exam required by their study plan acquire a score of the sum of:

1. a vote corresponding to the level:

Bachelor's degree: English, French, German = 5 points  
Spanish: entry test 5 points, exam = 10 points;

Master's degree : English, French, German, Spanish = 10 points

2. a vote in relation to the grade obtained:

30= 8 points, 29=7 points, 28=6 points, 27=5 points, 26=4 points, 25-24=3 points, 23=2 points,  
from 22 to 18=0

In order to gain a higher score they can take (if they wish to) the Erasmus language test (see point c.)

b. Students who have taken the University Language Centre (Centro Linguistico Ateneo CLA) assessment test for TAL B1 and TAL B2 acquire a vote in relation to the level passed: B1 = 5 points, B2 = 10 points.

In order to gain a higher vote they can take (if they wish to) the Erasmus language test (see point c.)

c. Students can acquire the language score through the Erasmus language assessment that the Department teachers propose with the release of the call. The assessment has no exam value and does not attribute credits, but the student will gain a result from the sum of:

1. a vote corresponding to the reference level:

A1 = 1 point, A2 = 2 points, B1 = 5 points, B2 = 10 points, C1 = 12 points, C2 = 13 points

2. a vote in relation to the grade obtained:

30= 8 points, 29=7 points, 28 = 6 points, 27= 5 points, 26=4 points, 25-24= 3 points, 23= 2 points, from 22  
to 18=0

d. Students submitting an official linguistic certification obtained within the last three years, included the year in which they are participating in the call (for example, for the call 2018/19 certified after 01/01/2016) by recognized institutions from the University of Padova and clearly indicated on the website unipd.it acquire a score in relation to the language level certified:

A1 = 1 point, A2 = 2 points, B1 = 5 points, B2 = 10 points, C1 = 12 points, C2 = 13 points

e. Students can also submit the OLS test of a previous Erasmus+ mobility

A1 = 1 point, A2 = 2 points, B1 = 5 points, B2 = 10 points, C1 = 12 points, C2 = 13 points

**If the student has multiple attestations of language, it is their responsibility to submit those that are most beneficial to the application.**

## 5. Erasmus Commission Points: FROM 0 TO 6 POINTS

In the case of **dubious or problematic applications and situations** (eg. anomalous Learning Agreement for content or number of scheduled exams; thesis activities without tutor at the Partner Institution; equal situations; meaning equivalent and multiple applications for highly preferred locations; specific curricular needs) the decision will be referred to a committee made up of 'Referenti Erasmus' and Academic Coordinators involved, who can assign up to 6 points based on:

- draft of the study plan for activities abroad and congruence of the proposed activities with the student's university career
- interview / motivations expressed by the student

## 6. Points for thesis work abroad

Students who intend to apply for thesis work abroad will have to attach a letter from their supervisor at the Università di Padova and an acceptance letter from the supervisor abroad who will follow their activity during the mobility period (also via email). Following the presentation of these declarations, **additional points** will be assigned as follows:

- 6 points for Bachelor's students
- 10 points for Master's students

## 7. Second Erasmus+ mobility

Priority will be given to students who have not previously benefitted from an Erasmus+ mobility.

## 8. Degree courses

For certain bilateral agreements for specific degree courses, students enrolled in these courses will have priority in the list of successful students.

## 9. PhD Students

For PhD applicants, the list of successful students will be stipulated by the relevant Erasmus commission (see point 5) on the basis of the validity of the submitted applications, of the proposed research work and of the certified linguistic knowledge.
