Erasmus+

***Erasmus+ for Studies – SEMP – ULISSE  
CALL FOR APPLICATION***

***SPGI Department***

**Aula B3 – Thursday 21st November 2019**

## *Why should you apply ?*

### *From an Academic point of view...*

- You'll have a personalised study plan that will appear on your Diploma supplement
- You'll have the opportunity to take courses that we do not have here
- You will attend centres of excellence or work with experts in the field without extra costs
- You will learn new approaches to subjects

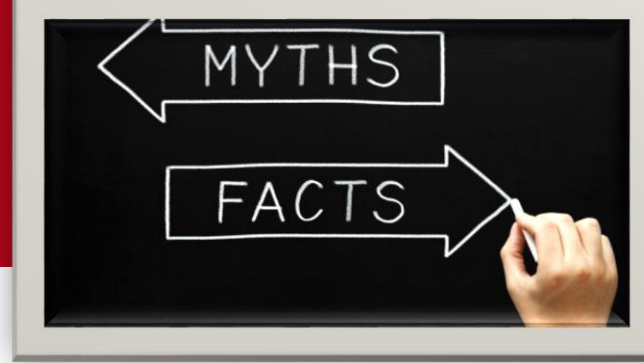

*From an individual point of view...*

Mobility programmes allow you to:

- Live new experiences
- Get to know new cultures
- Improve your language skills
- Develop an European Identity
- Enrich your CV
- Develop Key Skills Qualifications: problem solving, adaptability, ability to work in team and to handle cultural differences, etc.

Did you know that «a study experience abroad increases your chances to get a job within one year from graduation by 10%?» (Almalaurea 27/07/2016)

## COMMON BELIEVES THAT TURN OUT TO BE FALSE

Exam recognition is not granted

Our University recognises all credits if previously approved

Some exams cannot be taken abroad

All exams can be replaced by properly selected foreign courses

The main aim is learning a new language

You will improve for sure, but you should already have a basic knowledge

Erasmus is a time loss

Only if you let it be or you do not choose wisely

## Erasmus+ Study enables you to:

- ❖ Spend a continuing study period abroad (from 3 to 12 months) at a partner university
- ❖ Spend abroad up to 12 months per **study cycle**.

- ❖ Attend activities and have them recognised
- ❖ Combine traineeship and study mobilities.

## WHO CAN PARTICIPATE?

- All students who are regularly enrolled at University of Padova
- EU and extra-EU (who need to get a visa)
- Students who are not receiving any other European scholarship

<https://www.unipd.it/en/duration-contributions-erasmus-out>

Erasmus scholarships are not full grants, but simply a little financial help. You will also receive:

**ERASMUS+**

2014 - 2020 programme for Education,  
Training, Youth, and Sport

- ✓ **Additional funds on a meritocratic and income basis. Please remember to submit your ISEE/ISEU form between 9th-22nd July**
- ✓ **A funding for travel expences according to the destination**

Extensions will not be covered by the scholarship.  
If this is not your first mobility, your scholarship will depend on the budget at our disposal.

## HOW MUCH?

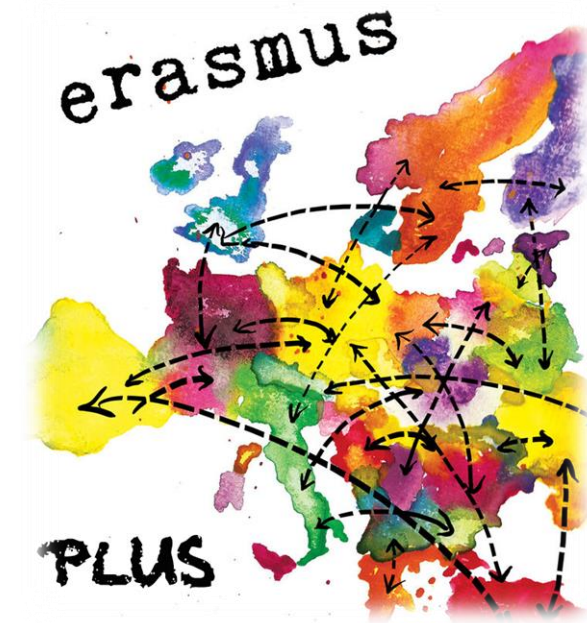

- 300 € per month if you are going to:

Denmark, Ireland, Iceland, Finland, Sweden, Liechtenstein, Norway, Luxemburg

- 250 € per month

Austria, Belgium, Bulgaria, Cyprus, Croatia, Estonia, former Yugoslav Republic of Macedonia, France, Germany, Greece, Iceland, Latvia, Lithuania, Malta, Netherlands, Poland, Portugal, Czech Republic, Romania, Serbia, Slovakia, Slovenia, Spain, Hungary

!!! The sum is calculated on a daily basis

**SEMP:** Grant: paid by Swiss government (ca. 360 CHF/month)

**ATTENTION!** You must save and send your boarding passes to attain this. The distance of a one-way travel must be used to calculate the amount of the EU grant that will support the round trip.

!!!

The mobility of those students who will not obtain at least **9 ECTS** will be considered “**ZERO GRANT**”, so they will have to return the entire scholarship

The mobility **MUST LAST at least 90 DAYS**, otherwise the student will have to return the entire scholarship

## List of partner Universities

Applying for the wrong University =  
the application CANNOT BE CONSIDERED =  
wasted opportunity

- you can **ONLY** apply for destination dedicated to your **study cycle** / “ciclo di studi”
  - 1= BACHELOR
  - **2= MASTER**
  - 3= PHD
- **PAY ATTENTION TO THE NOTES / “NOTE”:**
  - some destination are **RESERVED** or **GIVES PRIORITY** to students of certain Degree Courses or to students interested in **MASTER** Egales
  - fundamental information to guide your choice (for ex. **NO THESI** work, attention to the didactic offer, etc.)

## List of partner Universities

### ATTENTION TO:

- Scientific AREA/ “Descrizione Area” – Department / Faculty with which the agreement is undersigned
- Which courses will you be able to attend? (How is the Host University Educational offer? Which courses can the Incoming Exchange students choose?)
- Linguistic pre-requisites / “Lingua insegnamento”
- available places / “n° posti”
- number of months / “n° mesi”
- Application deadlines and Academic Year

## CHOOSING CLEVERLY

- Do not take only the city into consideration
- Check that their course offer can be interesting for your study plan
- The subject area indicates the host faculty
- Choose only Universities which accept master students (study cycle 2)
- Check the language requirements and the academic calendar
- Departmental coordinators can help you

## CHOOSING CLEVERLY part 2

- ❖ Consider also smaller universities: they may surprise you
- ❖ Choose both destination wisely: many students leave for their second choice!
- ❖ Read the notes! “note”
- ❖ Take living costs into consideration

## LET'S ORGANISE OURSELVES

Destinations choice survey Erasmus+ 2020/21 SPGI (A google account is needed):

<https://forms.gle/X6jU1DPLjDTSDv757>

The more students respond, the easier it will be to get an idea of which destination to choose, the more students will win

Results will be uploaded three times (9/12, 20/12, 9/1) on SPGI website:

<https://www.spgi.unipd.it/internazionalizzazione/programmi-di-scambio/erasmus-outgoing-students/novit%C3%A0>

## THESIS RESEARCH ABROAD

Pros	Cons
A better research	The foreign supervisor must be found before leaving
Credits recognised	Higher language requirements
More ranking points if you already have a foreign supervisor	Not all the destinations accept student who are conducting thesis research
	The academic calendar must be respected anyway

## Linguistic pre-requisites

For many destinations it is now a specific **request/necessity** to have a good (certified) knowledge of the language; in many cases this is requested at the time of submission of the application form. The student is required to carefully check the online information of the universities abroad regarding the specific language requirements, the information in the list of university destinations is purely indicative.

- **Free language course at CLA**
- **Linguistic certification**
